Dear Camp Dearborn Tent Reservation Holders,

At Camp Dearborn the safety, security, and well-being of our guests is always our top priority. When a safety issue arises, it is our responsibility to address it and protect our guests from any hazards.

Currently, Camp Dearborn is facing a critical infrastructure failure with our "Green Military" style Tents. The majority of these structures are brittle, warped, and pose significant safety risks to our guests. Due to these risks, the City of Dearborn will close the Tents beginning with the 2022 camping season and beyond. We understand that this will cause major disappointment. But ultimately, we cannot compromise the safety and well-being of our guests.

These tent areas will be redeveloped for new accommodations in near future.

**Guests with 2022 camping reservation will be issued a full refund and each reservation holder will receive a free season pass into Camp Dearborn for the 2022 season, [A \$ 45.00 VALUE].** While Camp Dearborn cannot displace all 117-tent reservation into new accommodations, Camp does have some cabin availability as well as our electric and full-hookup sites. Current tent reservation holders will have the first opportunity to rent any available electric or full-hook-up site **during the same week as their tent reservations** beginning, Monday, January 31 thru Friday, February 4, 2022 (Normal registration begins on Monday, February 7, 2022 @ 8:00 a.m.). In addition, current tent reservation holders will have the ability to reserve an available cabin beginning on Monday, January 31 thru Friday, March 4, 2022 (Normal reservations begin on Monday, March 7, 2022). **New reservations must be made by contacting the Camp Dearborn office at (248) 684-6000.**

The City of Dearborn/Camp Dearborn sincerely regrets any inconvenience or difficulty this decision may cause. However, we will always put your safety first. Thank you for your understanding.

Sincerely,

  
Jason D. Spiller  
Camp Manager
