

Camp Dearborn will, unfortunately, be unable to honor TV1 camping reservations prior to June 21*. Reservation holders will receive full refunds, including their nonrefundable reservation fee. If a reservation extends past June 20*, arrival dates will be adjusted to June 21*; and reservation holders will receive a refund for the canceled nights. Reservation holders will receive an email notification once the cancellation is processed. Refunds will be applied by the original payment method. New TV1 reservations for Cabins, Full Hook-up, Electric, & Primitive sites will be accepted beginning May 26 for camping dates beginning Sunday, June 28*, 2020. There is a 2-night minimum on cabin rentals. Cabins must be rented in weekly intervals, unless 30 days prior to check-in. Those guests who currently have reservations beginning June 21*, will still be honored.

Camp Dearborn-provided tents will not be available this summer. Campers with existing reservations will be offered the following options:

- Keep their current reservation, bring in their own tent and erect it next to the tent pad. Campers would have use of cabana and electricity (stovetop, mini-fridge).
 - Cost: \$32/night and \$145/week with the remaining balance either refunded or applied to a 2021 reservation.
- Receive a full refund.
- Reserve their site for the 2021 season and apply the credit from 2020

Several amenities at Camp Dearborn will be unavailable during the 2020 season. These closures include;

- Zip Line
- Pool
- Rec Field Activities
- Canteen Dances

Other amenities which may not be available include;

- Canteen
- Non-Motorized Rentals (Kayaks, SUP, Bicycles, etc.)
- Adventure Golf (tentatively scheduled to open July 1)

Beaches are anticipated to be available, pending State mandates.

Off-season rates will be charged to all overnight campers during the upcoming season. Campers who have already paid in-season rates will be issued a refund for the difference.
