

CITY OF DEARBORN
Home Town of Henry Ford
RECREATION & PARKS DEPARTMENT
www.cityofdearborn.org

Dear Camper,

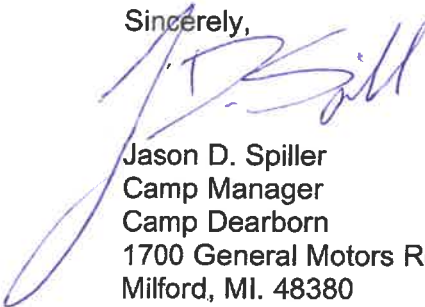

Like many other businesses across the country, the city of Dearborn has had difficulty recruiting and retaining the seasonal talent required to maintain our operations, including lifeguards and maintenance staff. We currently have a shortage of lifeguards, and we were unable to secure bids from companies to make certain repairs. Unfortunately, this staff shortage means that we will not be able to operate our pool at Camp Dearborn, or our Adventure Golf Course. While we are disappointed, we are working hard to ensure that these amenities will be fully staffed next season, assuming a labor market correction.

While the amenities listed above will not be open to guests, we are very excited to announce a new activity at Camp Dearborn! Not only do we have two lakes and a beach, but we have partnered with Ripping the Water (rippingthewaters.com) to offer this unique and exciting experience to our visitors. Other amenities offered can be found at <https://www.campdearborn.com/events-activities>

While we understand that this may cause some disappointment, we are working diligently to bring Camp Dearborn operations back to normal as soon as possible. The safety of our swimmers, and all visitors, always comes first. We appreciate your patience and understanding as we work through these challenges.

Please reach out to Jason Spiller, Camp Manager with any questions or concerns.

Sincerely,

Jason D. Spiller
